

End-to-End HR Solutions for Growing Businesses

Your HR Department. Fully Managed. BloomServe provides end-to-end HR solutions that help businesses simplify people management, strengthen compliance, and build efficient HR processes — without the complexity of managing everything in-house.

OUR SERVICES

Recruitment

Helping businesses hire the right talent through structured sourcing, screening, interview coordination and hiring support.

Background Verification

Reliable employee verification to support secure, informed and confident hiring decisions.

HR Outsourcing

Complete HR department support for businesses that need professional HR expertise without building a large internal team.

Payroll Processing

Accurate and timely payroll processing, payslips, salary reports and full & final settlement support.

Statutory Compliance

End-to-end monitoring for PF, ESI, PT, LWF, TDS and Labour Law compliances, keeping businesses organized & compliant.

HRMS Portal

Employee self-service access for payslips, attendance, leave and HR documents, creating a seamless digital experience.

WHY BLOOMSERVE?

One Partner. Complete HR Solutions.

- ✓ **End-to-End HR Support**
From hiring to employee lifecycle management.
- ✓ **Compliance-Focused Approach**
Helping businesses stay on top of applicable statutory requirements.
- ✓ **Scalable HR Solutions**
